

NCHNA BOARD MEETING MINUTES

December 15, 2018

Attendees: Nancy Brainard, Melinda De Lanoy, Michelle Kimihira, Kris Olson, Jeanne Peterson, Bryson Tillinghast, Bill Wiesenbach

NCHNA'S immediate goal should be to build a stronger sense of community within the neighborhood.

- *Through communications.* We will encourage subgroups within our area to establish e-mail distributions with their own nearby neighbors, which can then be pooled for neighborhood wide NCHNA communications as needed.
- *By addressing key Issues.* We believe of those of concern to all are crime prevention and safety, the SR-520 project, school relations and emergency preparedness.
- *By building cohesiveness:* We will sponsor at least one all-neighborhood get-together/party this year.

Actions agreed to:

- **Michelle** will check on the status of NCHNA's website: <https://www.nchna.org/>
- **Bill** will encourage customers and businesses on 10th Ave. to sign up for e-mail distribution. **Bryson, Melinda** and **Nancy** will share their current local distribution lists.
- **Kris** will add crime/safety section on the NCHNA website and investigate organizing a NCHNA crime & safety meeting.
- **Melinda** will meet with SDOT following the appointment of its new manager, likely in January.
- **Nancy** will continue to work with the Roanoke/Portage Bay and Montlake Community Councils requesting the City to establish an SR-520 Oversight Committee.
- **Jeanne** will continue as liaison to Bertschi and Prep.
