

NCHNA BOARD MEETING—5-19-2018

Attendees

Officers: President Michelle Kimihira, Vice President Byson Tillinghast, acting Secretary Nancy Brainard. Board Members Melinda De Lanoy, Jeanne Peterson, Kris Olson, Bill Wiesenbach

Neighborhood Night-Out Party, Tuesday, August 7, c. 6:00-8:00 p.m.

Jeanne, NCHNA's school liaison, will ask Seattle Prep if we may hold the party on Prep's new roof-deck. She will also ask if Prep might donate catering services and if beer can be served. **Michelle** will have invitation cards printed and organize their distribution to neighborhood mailboxes. **Byson** will especially encourage neighbors on the west side of 10th Ave. E. to stop by.

Security Information Event

Byson and **Kris** will organize and invite neighbors to a NCHNA-sponsored information meeting on household security, cameras, etc.—date to be determined.

Traffic Issues--Seattle Prep

Jeanne will ask Prep if it can alert parents and students to the proper etiquette for safely navigating the intersection at Federal Ave. E. and E. Miller St. She will also ask if the school can station a monitor at that intersection during high traffic hours.

Traffic Issues—Bertschi School

Jeanne will ask Bertschi to e-mail **Michelle** directly with alerts each time the school expects heavy traffic for an event.

SR-520

Nancy, NCHNA's SR-520 rep, continues to check on when the refinement of design from Montlake to I-5 will begin. The latest guess is this fall, and we want to be involved. Hope for saving the Montlake Market is slim but still alive, as is hope from some relief from the extreme levels of night-time noise currently approved for SR-520 construction work. In addition, the **WSDOT Accountability Coalition**, of which NCHNA is a member, is asking Mayor Durkan to create a city oversight committee to monitor SR-520 decisions and activities as they affect our neighborhoods. Concerns include the environmental health of Portage Bay, as well as impacts on local traffic.

Upcoming 2018-2019 Officer Elections

Michelle will schedule the election for a general NCHNA meeting to be held in September or October 2018.

NEXT BOARD MEETING—planned for 7 P.M., THURSDAY, JULY 26
